

Keuco Edition accessories & cabinets

A classic example of the best of German engineering, Keuco's range of bathroom accessories, lighting & storage cabinets are second to none. The Edition 11 accessories are a simple form of square cast brass pieces, exceptionally plated in chrome. Individual to Keuco is the Edition 300 illuminated mirror cabinet with its smooth operated upward opening swing door. It also integrates 3 electrical sockets, sliding magnifying mirror & multiple adjustable shelving.

Vola—in colour!

Using a unique coating process, Vola brassware can be finished in over 13 different colours. Whether it's a single basin mixer or a complete shower area, Vola in colour creates a

very individual look for every bathroom. Along with colours, Vola brassware can also be finished with polished or matt chrome, polished brass or manufactured from solid stainless steel & finished with a sleek matt look.

Exclusive display ranges

Hand-made radiators from Bard & Brazier

Made in Birmingham, Bard & Brazier are a specialist manufacturer of hand-made towel radiators & wash basin stands. Their ranges extend from the ultra sleek contemporary D-Rail with its integrated valve system, to premium classic designs such as the Baronial ball-jointed radiator. Whilst many models & sizes are available from stock, due to the

hand-crafted nature of Bard & Brazier, any bespoke configuration, size or finish of radiator can be produced. The classic radiators & wash basin stands also tie-in seamlessly with the Lefroy Brooks range of classical sanitary ware, both in design & finish.
